

# COLOR SWIRL POLISH PLAY-INK

Select 4 colors of choice from the INK Collection of Polish. Loosen all lids of lacquer to prepare for Color Swirl Polish Play. When you remove the brush from the bottle, do not wipe excess lacquer on neck of bottle. Be sure to have an adequate amount of lacquer so it will drip off the brush. NOTE: after each nail the water should be replaced. Hold the brush approximately one half inch from water surface when dropping lacquer.

**Step 1**  
Using a China Glaze Manicure Soak Bowl, fill with room temperature water to level just below logo.

**Step 2**  
Drop the first bead of lacquer into the water. Allow to disperse in water.

**Step 3**  
In the center of the existing dropped lacquer, drop the second bead of lacquer.

**Step 4**  
Repeat dropping with third lacquer. Again, always allow lacquer to disperse thoroughly in water.

**Step 5**  
Remember to let the lacquer spread in the water. You have to move quickly so lacquer does not dry.

**Step 6**  
Drop fourth color into the center of the lacquer.

**Step 7**  
Begin with the first color of lacquer and repeat the four colors or until desired blend is achieved.

**Step 8**  
The center of the circle is going to get smaller and smaller.

**Step 9**  
Once you have your desired number of colors, using a stylus tool begin pulling from inside the circle.

**Step 10**  
Repeat a second time pulling across the circle with the stylus tool.

**Step 11**  
Repeat on pulling across the lacquer in the bowl. Continue until you have achieved the desired blend.

**Step 12**  
With client palm facing up toward ceiling, slowly immerse the nail through the colors.

**Step 13**  
While nail is submerged in water, allow polish to set for 10 seconds.

**Step 14**  
Using your stylus tool, gently pull remaining polish away from clients finger.

**Step 15**  
Remove the nail from the water. Be sure that all extra water is off the nail by gently blotting. Using polish remover, remove excess polish from finger.

**Step 16**  
Apply your choice of favorite China Glaze finish Top Coat, allow to dry.
